

Rest Home

Moving into residential care can be a positive decision for everyone concerned. Our Rest Homes support older people who cannot manage at home. Enabling you to maintain your independence and privacy in home-like surroundings is our goal. Our services are designed to take account of your practical day-to-day needs alongside your emotional well-being. We also ensure you remain connected with your family and the wider community.

Hospital

If you have complex needs and require an increased level of assistance, our Hospital services deliver a higher level of support in a warm caring environment.

Our highly trained staff are able to enhance the health and well-being of our residents by caring for most complex medical conditions. Presbyterian Support Central works with a local General Practitioner to ensure your medical needs are met. You may choose to retain a relationship with your own General Practitioner if this is practical.

Getting in Touch

Accessing any of our services is easy and worry-free. You can be referred from a Needs Assessment Agency or your Doctor. Or you can call us directly. We would love to hear from you.

An ACC referral may mean you are eligible to receive personal care, nursing care or household management assistance within your home.

Enliven will fit around your requirements – all you need to do is ask.

Welcome to Ngahuru Home

Maybe the time has come to consider making changes to the way you live your life. Or perhaps you are supporting a family member as they think about changes ahead?

At Ngahuru Home we understand what an important time this is. So it is our job to make things as easy as possible for everyone concerned.

Ngahuru Home is situated in tranquil surroundings neighbouring Naumai Park in Hawera. Ngahuru provides **Enliven** residential services including Serviced Rental Accommodation, Day Activity Programme, Respite Care, Convalescence Care, Rest Home and a Hospital.

❖ Serviced Rental Accommodation

In Ngahuru House, we offer affordable rental accommodation where older people share a warm, friendly environment. A main meal is provided, your cleaning done for you, and, if needed, an emergency call bell supplied.

Enliven clients are given preferential entry into our other services. If at some stage you require additional support, you would have first option for Community Support or a room at Ngahuru Home.

❖ Community Café

Ngahuru welcomes older people to a Community Café for morning tea or a nutritious and affordable lunch. The Community Café is a great place to meet like-minded people in a warm and friendly environment. Why not join us, you will be very welcome.

❖ Day Activity Programme

Ngahuru Home offers a Day Activity Programme on week days from 10.00am to 3.30pm for older people or those with a disability. Transport can often be arranged. Day Activity Programmes may also be accessed as a part of your support plan.

❖ Respite

Need a break? If you are caring for an older person, from time to time you need time out to refresh. Ngahuru Home provides a place for the person you care for while you get the rest you need. It is a flexible service to suit you.

Respite Care may be funded by your local District Health Board as part of an ongoing package of care. Alternatively, this can be arranged directly with us and privately funded.

❖ Convalescence

When convalescing after surgery or illness it is important to know support systems are in place. **Enliven's** Convalescent Care can arrange to have registered nurses and trained support workers on hand. We can also provide hot meals and assistance in personal care – even pampering – as required. This can be for a short period or even a few weeks. The service is offered in your own home or in one of ours.
